Veterans' Day

DCJ

It was the best of days. It was the worst of days ... It was Veterans' Day and the elements were dismal. Still, the spectators were there under umbrella and bundled against the chill that congealed their blood. On one of the United States' most sacred days, the marchers and their admirers stood in the drizzle and paid respect to those who had served their country in the mud, the ice, the rain and searing heat in the wars that now are dimming in memory and hopefully a relic of the past.

Mattapoisett hosted this tri-town parade and though the march was shortened, march they did and it was a good show and the old vet-

erans would have grinned wryly and appreciated every effort.

In step were the Girl Scouts, the High School Band, the Old Hammondtown School Band, the various color guards from the veterans' posts, the town officers and businesses and police and fire personnel and the equipment. It was typical small town, honest, forthright, deeply felt patriotism. Tribute to the finest quality to be found in our kind - unselfish sacrifice of comfort, home and life itself for many servicemen .. that is Veterans' Day.

QUESTION:

WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinary treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs are not the answer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious.

Probably more than any other health profession, chiropractic's approach to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fast starts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiropractic is a natural health care method that stresses the importance of keeping all the systems of the body functioning efficiently, so the player enjoys peak performance a minimum injury risk and fast recuperative powers.

Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiropractic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Make certain that a doctor of chiropractic is a member of your health team. Many of the high-performing professional and amateur teams have retained doctors of chiropractic as their team physicians.
- Minimize the use of drugs and medications and utilize natural health methods.

December 1st Special Town Meeting for $75,000, transfer from free cash, for final plans and going out to bid process. To be located at the junction of Route 6 and Church Street, the 8890 square foot proposed building will be constructed of steel-framed masonry, with the outside of brick finish. He emphasized longevity is important.

Mr. Brown said the planning process is an ongoing process and the firm will be planning up to the time the first shovel goes into the ground. This plan will get refined, changed and detailed, he added.

He said his firm is recommending an additional piece of land be acquired. This would permit access roads and drive-through lanes for a potential use of the land for a fire station and water department buildings. Once the utilities are in place for the police station they will be available for future expansion. There will be separate entrances for the public and for the staff as well as separate parking areas.

For the police station, Mr. Brown explained it is of utmost importance for security for the staff and the building; confidentiality of the public; security of prisoners and security of weapons and contraband; separate entrance to the control center and the administrative function. The second floor will hold the training facility and photo lab.

comprising two male cells, two female/juvenile cells and a room for a matron, the prisoners' area will be self-contained and not involved with the public. In response to a question as to how the number of cells are determined, Chief Moran said the average number of arrests per year is 115-275. The number of cells is determined by the number of arrests. A suicide watch requires a separate monitored cell. Four cells will be sufficient, the Chief added.

Richard Gamache, temporary Chairman of the Finance Committee, asked, "Do we have to go union on the hiring?" Mr. Brown said, "No, but the state wage scale must be paid". Mr. Brown added the construction cost would be a turnkey operation, everything ready to go. He stressed the cost figure is an estimate, the information is not exact but they are going by the best information on hand.

One article is placed by Town Clerk Lois K. Ennis who is seeking $7,500 to purchase an optical scan ballot tabulation system to be used for the purpose of counting and tabulating ballots at elections.

Mrs. Ennis explained the new system will save time and personal counters (sometimes as many as 60 counters) and will be more accurate. It will definitely be cost effective in the long run. It will improve earlier voter tabulation and not stretch to the early hours of the morning for results.

"I wouldn't have proposed it if I didn't think it would be more effective for the town", Mrs. Ennis said. "Looking down the road we are looking into more precincts. This will cost us money for hand counters and will have to have 3 precincts. If I had to buy a second machine, we could have two precincts, as hand counting for two precincts would be too much."

Other articles include: Fire Alarm system for the Town Hall, $4,500; continue the street drains on Pinehurst Street (Brandt Beach area) to complete before paving, $5,000; additional budget requests for: clerical help, Treasurer/Tax Collector's office, $5,400; Town Counsel expenses, $20,000; Blue Cross/Blue Shield insurance increase for town employees, $35,000.

Three articles will concern Old Rochester Regional School -- to rescind an earlier vote to raise and appropriate $69,024 for building repairs; repairs to ORR High School, $48,000; to incur debt for $69,034

for repairs. These articles are still being checked by Town Counsel and may have the wording changed before the town meeting.

Other articles include "a sense of the meeting" vote request from the Selectmen regarding one-person/ one-vote Amendment to the Regional District Agreement whereby the School Committee members shall be elected by votes in member communities with each community's representation apportioned according to population. Selectmen Chairman John N. DeCosta said the Board feels the public should be aware of this proposal.

The sanitary landfill work in response to state DEQE requirements plus bulldozer and truck repairs and rental, $50,000; Public Library computer network, placed by the Library Trustees, $20,000; retirement benefits to Joseph Harrison, sanitary landfill supervisor, requested by the Board of Health, $4,579.20; computer equipment/services, treasurer/collector's office, $10,000; state aid construction for Chapter 90 work, $19,694.; Police Station final plans and bidding process, $75,000; and general by-law corrections.

Finance Committee Chairman Gamache said the town has $441,000 in free cash -- $246,902 is being requested for transfer for the articles for the special town meeting.

ANNOUNCED THROUGH BOARD OF ASSESSORS' Chairman John Gibbons that the state Department of Revenue has certified the $8.18 tax rate for fiscal 1988 and that the tax bills will go out in two to three weeks. On an average, tax bills will be affected with 1/3 going up, 1/3 going down, and 1/3 staying the same, Mr. Gibbons said.

Committee to discuss the problems their offices have had in getting the payrolls out in an appropriate amount of time. As of now, the Treasurer's office is closed on Wednesdays to catch up on the payroll.

The accountant and treasurer asked Selectmen and Finance Committee to consider looking into another computer system for the payroll. Ms. Linhares said the town uses Old Colony computers now and wait for the work to be completed. She said most of the work is done by hand. However, a private company, Control Data Business Center of Woburn, presented figures for outside services with a one time charge of $565 and $5,170 per year for checks and other services.

The Finance Committee Chairman said buying a computer will, in the long run, be cheaper and more efficient. It should have been done a long time ago, he said. It shouldn't cost anything to hook up to a bank.

The accountant was instructed to check appropriate computer companies and bring in cost figures with a January 1988 date for setting up a new system. Funds will be sought at the December 1st special town meeting to purchase a computer and software for about $2,500.

RECEIVED WORD from State Senator William Q. MacLean (D-Fairhaven) that the Mattapoisett Council on Aging has received a $2,154 grant from the State Council on Aging/Department of Elder Affairs. This amount represents a seven percent increase over last year and funds are allocated based on their population of elders, age 60 and over, according to the 1980 federal census, at a rate of $2.30 per elder.

MET WITH PERSONNEL BOARD members to discuss new positions and changes in current positions. The Board approved the position of a full-time clerk in the treasurer's office, a clerk in the Town Clerk's office, approved changes in the Recreation Director's duties, approved combining the jobs and salary of clerk and the veterans' agent. Mattapoisett shares the veterans' agent with Rochester and Mattapoisett's share of the agent/clerk salary will be $4,496.

Eleanor Lynch, Chairman of the Mattapoisett Council on Aging, about the town supporting a paid Council on Aging director. Mr. Lombard said he supports this position 100 percent. As the December 1st special town meeting warrant is closed, Mrs. Lynch will be asked to prepare an article for the May 1988 annual town meeting. It was noted Mattapoisett has 25 percent of its population over the age of 55.

Marion Selectmen's Meeting

NOVEMBER 10, 1987-by EUNICE MANDUCA
A Community Service of the League of Women Voters

At 7:00 p.m. the Marion Selectmen interviewed Mr. John Crowne who is a candidate for the Conservation Commission. Mr. Crowne stated that he felt he should give something back to the Town and, although he was not familiar with the requirements to serve on the Commission, he is a fast learner and was willing to give the time required to do a good job.

He also stated that he would be willing to consider serving on any other committee in need of his services. Mrs. Crowne is a practicing attorney.

Following Mr. Crowne's interview, the Selectmen discussed an alternative member of the Conservation Commission. It was felt that there was a serious problem with misunderstandings or misjudgements between the Conservation Commission and the Board of Health, and it would make sense to improve communications between the two groups and have a Board of Health member also serve on the Conservation Commission. Selectman Ted Pratt, Board of Health Chairman and former member of the Conservation Commission, stated that the Board of Health had been remiss in some of its findings in the past and that closer cooperation between the two boards could greatly improve the situation. No final decision was arrived at.

At 7:30 p.m. Olive Harris, Chairman of the Land Bank Study Committee, presented a draft proposal for the Marion Land Bank Petition to be submitted to the State Legislature. There was considerable discussion concerning the 10 items and a few changes suggested by the Selectmen. Miss Harris and her committee will bring the changes to her full committee for discussion and agreement and will report further to the Selectmen.

men that he would not be a candidate for re-election in the Spring. He also felt, because of the complexity of the job of Town Clerk, Tax Collector and Town Treasurer, the Selectmen should consider changing the job from an elected official to an appointment in order to be sure that a qualified person was in the position instead of a person who won the popularity contest at the next election.

If you saw too much of this last winter, call us now.

We'll show you how a new Weil-McLain Model 68 oil boiler could save you hundreds of dollars on your heating bills next winter.

The fact is, many older boilers operate at only about 60% efficiency. That means that as much as 40% of the fuel you're paying for could be going right up the chimney. The new Weil-McLain 68 oil boiler operates at over 84% efficiency—so it can save you enough money in oil bills to pay for itself in a few short years.

Find out how much you could save—call us today!

Mattapoisett Seniors

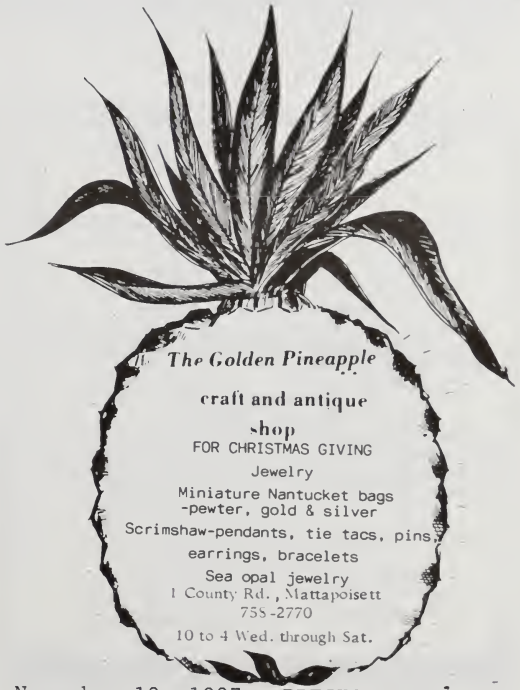
RESCHEDULE MEETING

Friday, November 20th, is the new date of the meeting of the Mattapoisett Seniors' Club, which was cancelled because of the November 12th snowstorm.

The meeting program remains the same: "Safety in the Home of Seniors" will be the topic pursued by Safety Officer Stan Ennis of the Mattapoisett Police Department and Mattapoisett Fire Chief Donald Wood.

Election and installation of officers will be highlights of the business meeting to be conducted by George Silsby, president.

Tickets for the club's annual Christmas party will be available. The event will be held December 10th with Backstage Caterers pro-



viding an excellent menu. Members may bring guests.

On Friday the meeting will begin at 1:30 p.m. in St. Anthony's Church Hall. The executive board will convene there at 12:30 p.m.

ATTENTION: PARENTS OF SENIOR HIGH STUDENTS

On Monday evening, November 23rd, from 6:45 to 9:15 an Open House will be held at the high school during which you will be able to have appointments with teachers to discuss your children's academic progress. Because of the large turnout, appointments on this evening should be limited to five minutes. Student report cards will be given to parents that evening from 6:45 to 7:30 in the hall near the main office. You will then have the opportunity to make appointments with teachers for specific times; student secretaries will be available, outside of each room, to assist you.

RESEARCH ON ROCHESTER DELEGATES

The Social Studies Department at ORR is interested in any information on the two delegates from Rochester, Abraham Holmes and Nathaniel Hammond, who represented the Town of Rochester (including Marion and Mattapoisett villages) at the Massachusetts Constitutional Ratification Convention in 1788. Students in the 10th and 11th Grade Honors Classes are researching the topic to prepare our own two student delegates and record background information on these delegates to be placed in the Massachusetts Archives and our three local Historical Societies. If you have any information please contact either Mrs. Nancy O'Brien or Mr. Ronald Normand at the high school. The convention will be held in February of 1988 at the State House. By the way our two delegates voted NAY.

Superintendent's Award

At the November 10th Old Rochester Regional School Committee meeting Joan Walsh presented the Superintendent's Award for Academic Excellence to Matthew Wisniewski.

Matthew, a senior at Old Rochester Regional High School, is the son of Mrs. Barbara Wisniewski of Rochester. The recipient is selected by the faculty and administration of the high school and must rank in the top 5% of the graduating class.

Matthew is a member of the National Honor Society and President of the American Field Service Club. In grade ten he was a delegate to the Hugh O'Brian Youth Leadership Seminar at Boston College and a member of the Creative Problem Solving Team. Last year he was selected to attend the Breadloaf Young Writers' Conference held each spring in Vermont. Recently he was selected by the Senior Class as DAR Good Citizen.

Next fall Matthew will attend college and major in foreign languages. He plans a career in translating.

Principal's Award

Christine Lynch, daughter of Mr. and Mrs. Andrew Lynch of Mattapoisett, has been named the recipient of the first Principal's Leadership Award at Old Rochester Regional High School.

The award is sponsored by the National Association of Secondary School Principals and the Herff-Jones Company. Each award recipient will be able to compete for scholar-

CENTER SCHOOL RECEIVES GIFT OF ENCYCLOPEDIAS

Students at Center School, Mattapoisett are enjoying a brand new set of encyclopedias, due to the kind generosity of Mrs. Drusilla Darrah, school secretary. A 1988 set of World Book Encyclopedia arrived at the school library on November 9th.

Children can now research current topics, such as the last two Presidents or the Challenger space shuttle astronauts. Thanks to Mrs. Darrah, the children will have the most up-to-date information available.

Letter to the Editor

On behalf of the Florence Eastman Post #280 of the American Legion and the Tri-Town Veterans' Parade Committee, I would like to offer our appreciation to all those who made the parade a success despite the questionable weather we were forced to deal with. A heartfelt thank you is in order for the Old Hammondtown School Band, Mssrs. Stan Ellis and Bill Reed (first place Jr. Marching Band) and the Old Rochester Regional High School Marching Band, Rich Bowers (first place senior marching band, as well as Best of Parade) without whose stirring music the parade would have been greatly lessened. Because of their efforts, as well as many other hardy participants, the parade was a fitting tribute to all our veterans.

A very special thank you to Chief Moran and our always responsive Mattapoisett Police Department for their assistance with the last minute change in the march route. Without their help, with only fifteen minutes notice, a route change, which I felt was necessitated by the extreme weather, could never have been accomplished.

HILARIOUS COMEDY OPENS NOV. 26
"A BAD YEAR FOR TOMATOES"

"A Bad Year for Tomatoes" will be staged by Theatre One Productions on November 26th, 27th, 28th and December 4-5 and 11-12 at the Theatre, located on Route 105, North Main Street in Middleboro.

This zany comedy deals with the very funny misfortunes of a famous television actress, Myra Marlowe, who leases a house in the tiny New England hamlet of Beaver Haven in order to "get away from it all" and write her autobiography.

She is successful in turning aside the offers pressed on her by her long-time agent, but dealing with her nosy neighbors is a different manner.

Poet Receives Honorable Mention

MBTA LITERARY CONTEST

In the first project of its kind in the country, Rochester resident Caroline Finkelstein has received honorable mention in a statewide competition sponsored by the Massachusetts Bay Transportation Authority (MBTA) to select 18 original poems and prose works which will be inscribed in granite and installed in the nine stations of the MBTA's new Orange Line.

The winning authors and those receiving honorable mention were announced by MBTA General Manager James F. O'Leary, following a se-

lection process that involved literary experts and Southwest Corridor community residents.

The 18 poems and prose works are scheduled to be installed this spring in the nine stations stretching from Boston's Chinatown to Jamaica Plain neighborhoods.

Ms. Finkelstein received the MBTA citation for her poem, titled "Not Responsible".

The MBTA is sponsoring the literature project as part of "Arts in Transit: The Southwest Corridor", a public art and art education program managed for the MBTA by URBAN-ARTS, Inc., a Boston-based private non-profit organization that works to integrate the arts into public environments.

St. Luke's Hospital

VISITING NURSE SERVICE-OPEN HOUSE

The Visiting Nurse Service of St. Luke's Hospital of New Bedford will hold an Open House on Thursday, November 19th, from 12:30 to 4:30 p.m. The public is invited to meet the professionals who provide a wide range of home health care services for the Greater New Bedford area.

The Visiting Nurse Service, often referred to as the Hospital Home Team, provides comprehensive home care services coordinated by visiting nurses, including home health aides, social services, physical, occupational and speech therapy, and hospice care for the terminally ill. The Visiting Nurse Service provides care to newborns, children, new mothers, the elderly, and patients needing special care after surgery. They also help patients with heart problems or who have suffered strokes. Care for many other problems, such as diabetes and cancer, is also offered.

All are invited to meet the Hospital Home Team and tour the Visiting Nurse Service headquarters located at 37 Taber Street in New Bedford. For more information call 997-1515, extension 2520.

Minot Forest

The Minot Forest Committee is planning a walk and work day on Saturday, November 28th. Those who wish to participate in a continuing project to clear a trail from Tempest Knob Terrace Beach to the Minot Forest School are asked to bring along clippers of some kind. This walk is a follow-up to a walk held in the early spring and enjoyed by many children and adults.

The walk will commence at 9:00 a.m. from the parking lot at the Tempest Knob Terrace Beach (also known as the Minot Forest Beach) on Oak Street in Wareham. For further information anyone may contact Mark Truran at 291-0315.

Coastline Elderly

CELEBRATES 10th ANNIVERSARY

On November 20th Coastline Elderly Services, Inc. will celebrate its 10th anniversary with an Open House from 1:30 to 3:30 p.m. at its Fairhaven office. Present will be the recently appointed Secretary of Elder Affairs Paul J. Lanzikos, along with area legislators, advocates and members of the senior community.

Coastline is one of 23 Area Agencies on Aging and one of 27 Home Care Corporations statewide. It is funded by the Massachusetts Executive Office of Elder Affairs and Title III of the Older Americans Act. Other Coastline projects and programs are supported by various federal and state monies.

Coastline plans and contracts for needed services at the local level, functioning as a clearing house and referral for all services that are locally available.

As the designated Home Care Corporation, Coastline provides information and referral, case management and sub-contracts with various agencies to provide services that meet those needs.

In addition, Coastline operates and administers a number of programs including Foster Grandparents, Nursing Home Ombudsman, Protective Services, Volunteer Opportunities, Senior Aide Program and Job Bank along with funding the Regional Elderly Nutrition Program.

With the "graying" of Greater New Bedford, Coastline has experienced a greatly increased demand for home care. In Massachusetts, the home care system grew at the rate of one-

STUDENTS STUDY ORIENTAL CUISINE

Culinary Arts students at Old Colony Regional Vocational Technical High School recently had the opportunity to study Oriental Cooking at a conference conducted at Bristol Community College.

Chef Fino Corelli demonstrated various oriental cooking techniques. In addition, the students had the opportunity to view an audiovisual presentation entitled "A Culinary Tour of China".

According to Old Colony chef instructors John Abaray and Nelson Suarez, the students hope to develop their newly learned skills in the Culinary Arts restaurant at the school. The restaurant, The Cougar's Den, is open to the public Tuesday through Friday from 11:00 to 12:30. Reservations are required.

FOOTBALL TEAM CROWNED CHAMPIONS

The football program at Old Colony Regional Vocational Technical High School recently attained a first for the school by clinching the 1987 Mayflower League Championship.

The Cougars, under the leadership of head coach David Harrison, have attained the best record in the history of the football program. The team has only one loss and is currently ranked third in the State in

The Mayflower League Championship was clinched with a victory over West Bridgewater High School by a 28-12 score.

ALL-STARS

Two Juniors at Old Colony Regional Vocational Technical High School were selected recently to the Mayflower League Volleyball All-Star team.

Laurie Nunes and Victoria Camacho were selected as the result of their outstanding play during Old Colony's 1987 volleyball season. Both Laurie and Victoria have started for the Cougars for the past three seasons.

Both student athletes are also starters on the girls' basketball and softball teams. Laurie and Victoria, both residents of Mattapoisett, are in the Data Processing Program at Old Colony.

conducted by Raymond Cabral of Old Colony's Social Studies Department. All freshmen are required to take an American government course. The trip to Boston was intended to allow the students to witness the State government process in action. The trip included welcome and orientation by Representative John Bradford of Rochester.

Joining the freshmen were members of Old Colony's Student Council. The trip was sponsored by the School Improvement Council.

OLD COLONY MAILS NEWSLETTER

Recently Old Colony Regional Vocational Technical High School mailed its first "Newsletter" for the 1987-1988 school year. The Newsletter is intended to inform parents and members of the community about educational activities occurring at the school.

The Newsletter highlights the activities taking place in all twelve Vocational Shops as well as the Academic Departments. In addition, extracurricular activities and sports are included. The Newsletter also includes a "School Activities" calendar.

Rotch-Jones-Duff House

MUSEUM STORE OPENS NOVEMBER 21

The Rotch-Jones-Duff House and Garden Museum, located at 396 County Street in New Bedford, will have a Museum Store open year round. Susan L. Cline, Executive Director of the Museum, announced the opening which will take place on Saturday, November 21st.

The setting for the new Museum Store is the Rotch-Jones-Duff House kitchen. An antique cast-iron black stove dating back to 1873 and the occupancy of the Jones family is still there as well as indoor plumbing that was installed in 1865. It includes three faucets, hot, cold and well water. There's a dumbwaiter in the corner of the kitchen that was used to transport food to the basement level of the house where the "summer" kitchen was located. The House, built in 1834, is one of the nation's finest monuments to Greek Revival architecture.

The Museum Store will be managed by Kate Corkum and will feature an unusual and interesting collection

"Celebrate the Season"

PREVIEW PARTY KICKS OFF ANTIQUE EXHIBITION AND SALE

The Rotch-Jones-Duff House and Garden Museum, built in 1834, and located at 396 County Street in New Bedford, is presenting their annual event, "CELEBRATE THE SEASON, 1987", an Antique Exhibition and Sale, December 5th through the 11th, and it all begins with a Preview Party on Friday, December 4th, from 6 to 8 p.m.

The Preview Party kicks off a week-long Antique Exhibition and Sale in which a group of selected exhibitors furnish the Greek Revival mansion with antiques for purchase. The festive occasion is further celebrated with holiday decorations throughout the House, donated by area florists and greenhouses. Also on sale will

of sumptuous architecture Melville described as "the city of palaces". Each home celebrates Christmas in the style of its current owners: an 1869 barn converted into a contemporary collector's residence; an 1855 Italianate mansion aglow with lights all the way up to its panoramic cupola; a 1906 Jacobean lodge ornamented as a "bejewelled Christmas"; an 1898 Queen Anne mahogany interior glowing with candlelit crystal; a Georgian Revival mansion shining with turn-of-the-century splendor, etc.

The "Festival of Homes" is held annually as a benefit for The New Bedford Glass Museum, itself housed in an 1821 Federal mansion. The Christmas tour highlights a six week celebration within the Museum of authentically decorated period rooms, musical events, and free hot cider.

Tickets for "Christmas in Old New Bedford: A Festival of Homes" are available at NBGM, 50 North Second Street, New Bedford, MA.02740; or by telephone for credit card holders, 994-0115. Cost is $10. or $8. for seniors and groups of over twelve. All tickets are non-refundable.

Out of town visitors may enjoy a nostalgic Christmas weekend by combining the "Festival of Homes" with

Put less money into your boiler.

A new Model 68 oil boiler from Weil-McLain could save you hundreds of dollars on your heating bills—this winter alone!

If your oil boiler is more than 10 years old, it could be operating at only 60% efficiency—or less. That means 40% of your heating dollars could be going right up the chimney.

But a new 68 boiler from Weil-McLain operates at 84% efficiency, which means it can pay for itself in just a few short years. That means more money in your pocket—and less in your boiler.

Find out how much you can save with a Weil-McLain 68 oil boiler. Call us today!

Avner's two-act routine is a breathtaking mix of clowning, pantomime, circus tricks, magic, vaudeville and audience participation. It's a show of intelligent comedy which requires absolute attention and concentration. If you look away for a minute, you will miss something.

Avner Eisenberg (Avner the Eccentric), a native of Atlanta, Georgia, began his illustrious career as a juggler on Bourbon Street in New Orleans. From New Orleans he went on to Paris, France to study mime and movement with Jacques LeCoq, and returned to the United States to apprentice under Carlo Mazzone-Clemanti at his Dell'Arte School of Mime and Comedy in California.

Avner has traveled around the world performing his one-man show. He has toured in Canada, Chile, England, France, Germany, Holland, Israel, Japan, Mexico, North Africa, Switzerland and of course the United States.

Avner's stage act even drew the attention of actor/director Michael Douglas, who cast him as the Holy Man, who turns out to be the "Jewel" in the movie, "The Jewel of The Nile". In the film, Avner uses his skills as a juggler and magician, especially in one scene, where he distracts a crowd of Senegalese who are after Michael Douglas, by juggling limes and logs.

In his more serious moments, Avner is an adjunct assistant professor at the Expressive Therapies Institute at the University of Louisville. At the Institute, he uses his mime and juggling skills as a therapeutic tool in working with communicative disorders.

Avner the Eccentric is a multi-
